Description: Experience the Eternal City at its best! Rome at night is unparalleled by any city in the world. Make this the memory you take home with you. Our experienced Tour Leaders will give you assistance during the tour and share information regarding history and culture of Rome aided by a Video-Audio-Guide system, while guiding you smoothly and safely throughout the whole evening. We'll glide from the Forum of Trajan, through Venice Square and proceed to the Pantheon and then in the famous Navona Square; you will also visit the impressive Temple of Hadrian to get there and then we will all be heading across little allies, across the Parliament building and Colonna square to the marvelous Spanish Steps. Final destination of this memorable tour will be the famous Trevi Fountain. The Segway Night Tour of Rome is limited to small groups, so we guarantee an intimate and unique experience.
