\*\* UMTS/HSDPA 95,39%, EDGE 99,83% (Italy, population).

[www.witourist.com](http://www.witourist.com)

Witourist is an innovative service that allows families and groups visiting Italy to access the Internet anywhere with their smartphones, tablets, and pcs, in the simplest way and at very affordable rates!

Now you can rent, only for the period you need, our professional (and easy to use) mobile Wi-Fi hotspot, to realize a protected Wi-Fi network for up to 5 devices, that will "follow" you wherever you go, serving your whole family or group!

You will be able to access the Internet whenever you need, using your apps to improve and simplify your journey.

For example you can:

- ✓ stay always connected with your Voip, messaging, social, and e-mail accounts;
- ✓ be easily guided towards any address, monument, or attraction, even using public transportation at the best;
- ✓ translate instantaneously any conversation, simply by speaking;
- ✓ be informed about a piece of art, or a monument, simply by framing it;
- ✓ find a good restaurant or things to do near your position...  
... and use tens of other useful web based services!

See more details about how apps can improve your journey on [www.witourist.com/useful-apps](http://www.witourist.com/useful-apps).
